Dedication

It has been said that to give of oneself is to truly give. This ability to give unselfishly is a rare and special kind of giving. The Class of 1971 wishes to honor a member of our faculty who exhibits just this characteristic. She is a person intimately concerned with her students, willing to offer her time and energy for their benefit. Her office is always a center of activity, a point of strength for students and faculty alike. She has spent endless hours making plans and arrangements for the graduation efercises each year.

In short, she is a person whose "gifts" to Lycoming College may be considered intangible. However, the results have created strong feelings of respect and appreciation that perhaps are seldom expressed in a formal or verbal manner. Therefore, we, the Class of 1971 dedicate the Arrow to you, Dr. Frances K. Skeath.

This is our humble offering for all that you have given so freely of yourself, a gift that cannot be measured.

JOHN W LONG

ART

THE WHITE HOUSE

WASHINGTON

TO THE 1971 GRADUATING CLASS
LYCOMING COLLEGE

The continued success of the American Experiment depends primarily on the qualities of heart, mind and spirit of our young people. As college graduates you have not only the training and idealism, but the opportunity and responsibility to build through further study or through your chosen careers the kind of society which will make further generations proud to identify with your accomplishments.

I know that you will not fail to become part of a positive response to the needs of America: a response worthy of her resources and capacities; worthy of the historic courage and the wisdom and will of her people. Your studies have given you the tools to dedicate yourselves in a very special way to helping overcome some of the most difficult problems we face; and as you become further involved in these efforts, you will continue to discover more examples of the ways in which the complexities of modern life make it imperative for us to work together.

The destiny of our nation is not divided into yours and ours. We share it. There can be no generation gap in America. We must all keep an open mind and forthright spirit, balance the courage of our convictions with the courage of our uncertainties, triumph over bigotry and prejudice and recapture the unity of purpose that has always been our strength.

Your fresh ideas and candid approach can be a strong deterrent to division and a valuable asset in building the alliance of the generations we so urgently need if we are to advance the cause we share. As I congratulate you on this graduation day, I do so in full confidence that you will answer this need both in your careers and in your daily lives.

LYCOMING COLLEGE
WILLIAMSPORT, PA. 17701

OFFICE OF
THE PRESIDENT

To the Class of 1971:

Your class has helped to guide me through my sophomore year at Lycoming College, and I am grateful for your patience and leadership.

Recent years have witnessed important changes in college campuses. The symbolic ivy disappeared from the walls long ago, and the ivory towers have given way to centers of concern for persistent human problems. I hope that, several years from now, you can look back upon the Lycoming years as a stimulating blend of scholarship and concern.

You have reached a significant level of attainment. May this accomplishment challenge you to move ahead of us, your elders, as you strive to "right the ancient wrongs!"

With every good wish,

Cordially yours,

Harold H. Hutson
President

Gamma Rho chapter of Alpha Sigma Phi was installed at Lycoming College in May 1965; prior to this time it was Alpha Gamma Upsilon until the two merged. The fraternity was founded upon Christian principles which included the second law, the law of brotherly love.

The objectives and goals of Alpha Sigma Phi are best stated in the purposes of the fraternity which are to foster education, to maintain charity and to promote patriotism.

The Brothers of Kappa Delta Rho wish to extend congratulations to the graduating class of 1971. May you continue to have many happy moments throughout the years to come.

During the academic year the Brothers of Kappa Delta Rho participated and excelled in many activities. A Christmas party for underpriviledged children was held. Our annual Business Man's Banquet was a great success. Also, the Brothers KDR captured six trophies for their athletic prowess and float building abilities. Trophies were received for first place finishes in soccer, basketball, softball, the overall sports trophy, and two trophies for the best float in homecoming competition. The halls of the house were also given a new "pop art" look.

Finally, under the direction of Brothers MacAdam and Richardson, a great academy award winning motion picture, "Slezy Rider" was produced.

In tribute to the 1971 seniors of KDR, the underclassmen would like to give special thanks to them for their contributions to the house for without them KDR would not be in its present state of harmony.

Lambda Chi Alpha was founded on the principle of forming a well rounded individual. Lambda Chi Alpha's functional purpose is to aid in the development and maturation of the character of each brother. By doing this Lambda Chi Alpha feels that it is allowing the individual the chance to gain valuable insight into the workings of his own life, now as well as later in his life. The two mottos of Lambda Chi Alpha "Every Man a Man" and "Naught Without Labor" gives further proof to the aims of the fraternity.

Lambda Chi Alpha has worked hard to produce men who can work well as individuals and as a team, this is done through the perpetuation of the brotherhood. Lambda Chi Alpha feels that an individual that can adjust well to serve in a brotherhood such as this will find it a simple task to adjust to serve in the brotherhood of man.

Tau Kappa Epsilon was founded in 1899 at Illinois Wesleyan University. From this beginning it has risen to be the largest fraternity in the United States with over 300 chapters. Lycoming's Mu-Theta Chapter is the only fraternity off campus. TKE was first brought into existence at Lycoming in 1968 as a colony and was chartered in April 1969. The foundations of TKE are character, scholarship, and brotherhood.

The brothers of Theta Chi extend sincere congratulations and wishes of good fortune to the Class of 1971. It is the same feeling of brotherhood which prompted Theta Chi to be founded at Norwich University in 1856 that we now hope this class will carry forth into the brotherhood of mankind.

Theta Chi of Lycoming College has existed as Epsilon Beta Chapter since 1955. At its outset the brotherhood was aware of the many responsibilities and intellectual concerns they had to the campus. This is expressed in our motto, "Alma Mater first and Theta Chi for Alma Mater." ΘX has welcomed these responsibilities and concerns by their activity in all phases of campus life, illustrated by our student government members, inter-collegiate athletes, class officers, and Lycoming alumni—Theta Chi ox roast at Homecoming. ΘX has also shown interest in community life as the brothers participated in the annual Heart Fund Drive and gave it's annual Easter Party for underprivileged children. ΘX has developed into an organized brotherhood, orientated both inwardly and outwardly toward overall betterment of mankind.

The 1970 football team had a 3-5 record and one of its most successful seasons in the past few years. All three of their wins were big victories for the Warriors. After a tough opening loss to Albright, the Warriors upset Wilkes 21-19, ending their 31 game winning streak and the first time they were defeated on their home field since 1965.

Lyco's second key victory was over Juniata, who in the past 10 years had defeated Lycoming. In their final game of the season, the Warriors hosted Delaware Valley in the first Annual Fez Bowl and came out on top 13 to 6.

Row 3: (l to r) Phillips, Rosenberg, Gettler, McNeil, Daubenspeck, Lindenberg, Wick, Ursell, Spadoni, Fehr, Sisco, Bahner.

The 1970 Soccer team had the best season in the history of the sport at Lycoming. The team led by co-captains Marty Slaugh and Dan Miller posted a 6-5-1 record. The season was highlighted by big victories over Rider and Washington as well as a tie with the always tough Drew team. Exchange student Claus Bendrich led the Warrior squad in scoring. The home field advantage played a part in the Warrior successes as the team gained 4 of their 6 victories at Sheridan field. With only 2 seniors graduating, the prospects for another successful year look bright.

back row (l to r) Tom Smith, Rick Robertson, Tom Beamer, Dennis Jakubowicz, Steve Cogan, Rich Henninger, Lou Hill.

Due to graduation, injuries, and normal attrition taking a high toll of experienced players, coach Dutch Burch was faced with a development of a strong nucleus for the future.

Through the first eleven games the Warriors were only able to win one game. Their nucleus consisted of one senior, Dennis Jakubowicz, one sophomore, Wes Forshee, and three freshmen, Rich Henninger, Tom Smith, and Steve Cogan.

The second half of the season showed vast improvement. The Warriors won six of their last ten games and climaxed the season with an exciting 94-93 upset over Scranton University to knock them from the conference playoffs.

Rich Henninger became the first freshman to score above 500 points in one season at Lycoming and the second varsity player to exceed the 500 mark.

Next year should prove to be a different story, since this young team has now gained some valuable experience in their 7-14 season.

wrestling

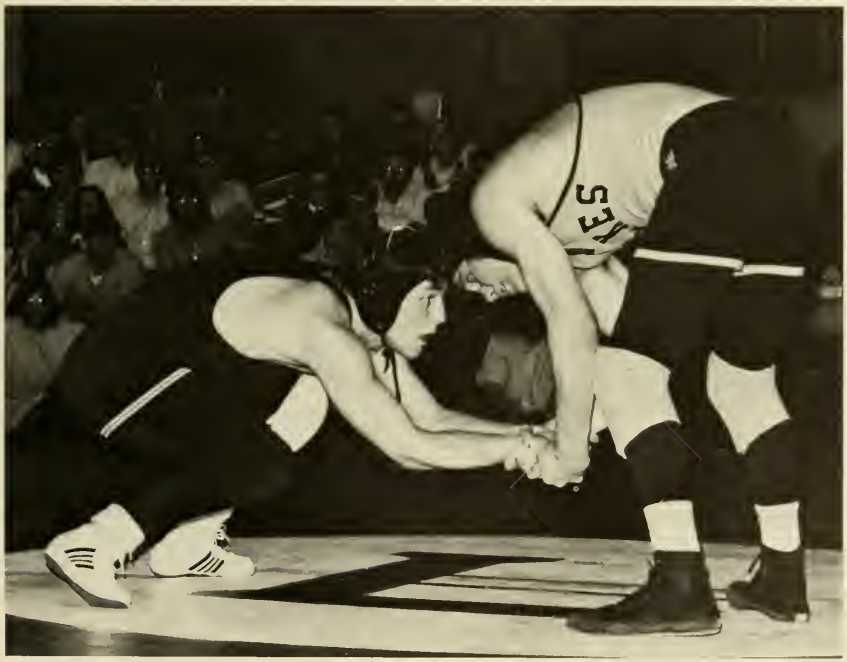
Probably the greatest disappointment of the winter sports program was the failure of the wrestlers to extend a string of thirteen winning seasons. The wrestlers did not have a losing season as they finished with an 8-8 record. The team was inexperienced in many of the weight classes and most were assigned to freshmen.

Two freshmen, Steve Wiser of Bellefonte at 167 and Wayne Goodrow of Levittown at 190, had good first halfs. Unfortunately Wiser was injured against Elizabethtown and Goodrow missed the final four matches due to a respiratory illness. These events may have been the turning point in the team's effort to continue their winning ways.

Three other wrestlers, all upperclassmen, had a good year. Bruce Whitaker, a junior, had a 12-2-1 record, Adrian Marsh, a junior, finished with an 11-4 mark, and Dave Webster, a sophomore, finished with a 6-5 mark.

In the Middle Atlantic Conference tournament, Lycoming was second behind Wilkes. All in all the prospects for starting a new winning streak look extremely bright for next year.

ROW 1: (l. to r.) Dan Miller, Tim Printzenhoff, Dave Webster, John Stover, Paul Anderson, James Burget, Dwight Withspoon. ROW 2: (l. to r.) Dave Hopper, Dan Wright, Don Wright, Nathan Folwell, Chuck Haczewski, Adrien March, Tom Bakley. ROW 3: (l. to r.) Wayne Goodrow, Angelo Fanelli, Terry Lewis, Jack Carson, Steve Wiser, Bruce Whitaker. ROW 4: (l. to r.) Paul Chambers, Jeff Salman, Scott Drescher, Dave Franklin, Tom Wilhams.



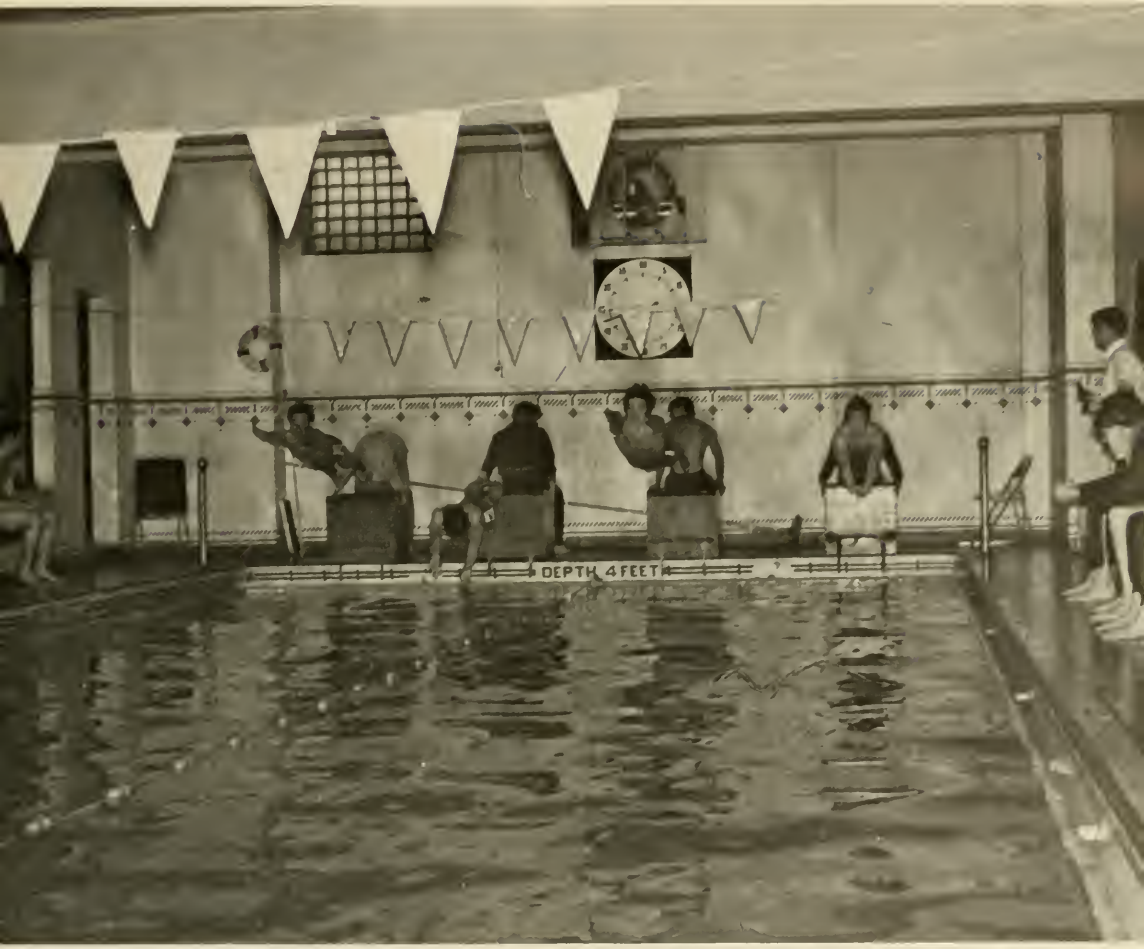
ROW 1: (l. to r.) Dick Zack, Steve Hogan, Todd Wynn, Rich Parker; ROW 2: (l. to r.) Greg Grant, Steve Marshall, Norm Richmond, Tom Krug; ROW 3: (l. to r.) Steve Muthler, Bill Aufricht, Jack Marck, Bill Oat.

The swimming team got off to a real rough start, losing their first five meets. After the tide turned though, they won six of their last eight meets to compile a 6-7 season.

They were led by seniors Bill Oat, Dick Zack, Tom Krug, and Steve Hogan. Two underclassmen, Steve Muthler, a sophomore and Steve Marshall, a freshman, were consistent winners in individual events during the winter.

Five swimmers represented Lycoming in the Middle Atlantic Conference championship at John Hopkins, in which they placed sixth in team standing. With a better start next year the swimming team should be able to get above the 500 mark.

swimming



The Warrior trackmen got off to an excellent start by winning their first three meets. They then lost to Susquehanna and bounced back to defeat Mansfield 87-57.

They were led by seniors Don Webb, Doug Brown, Joe Texter and Rich Drake. The Warriors ended their season with a 5-3 record.

In the Middle Atlantic Conference championships the Lyco thinclads placed eighth in a field of sixteen.

The trackmen may have to do some rebuilding next year, since the nucleus of their team will be lost due to graduation.

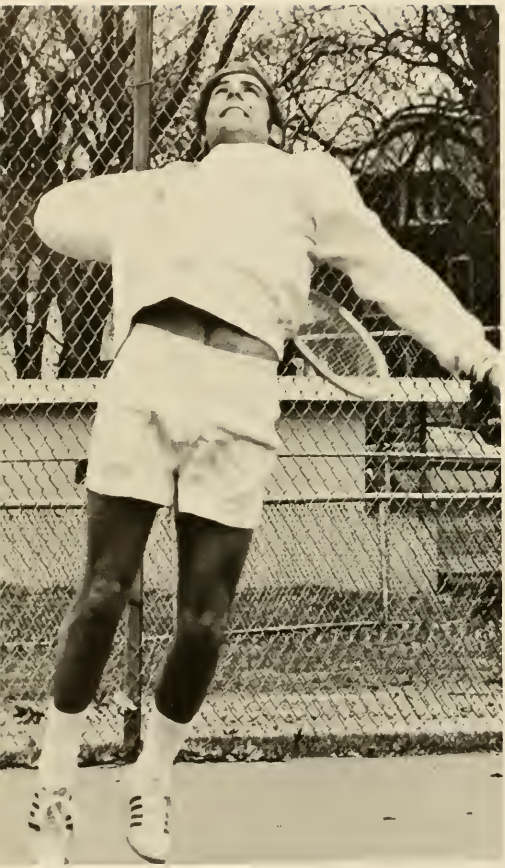
The team members are: Doug Brown, Jim Burget, Bob Burket, Terry Carver, Jim Collins, Richard Credo, Rich DeAugustinis, Donn Downey, Rich Drake, Tom Fowlston, Mark Harrison, Wayne Heike, Ralph Hook, Joe Jaworski, Richard Jennings, Nathaniel Lodge, John Lyter, Paul Marsden, Charles McCall, Mike McCormick, Robert McClain, Wayne Murphy, Gunther Nellen, Roger Poorman, Jeff Salman, Bill Sconti, Greg Shortway, Joe Texter, Donald Webb.

golf

TEAM MEMBERS: Herb Beezer, Bill Bowder, Fred Brenner, Edward Burk, Mark Clary, Lloyd Cober, Emmett Courtright, Ted Draude, James Dupler, Jeff Gettler, Ed Geyer, Kelsey Green, Mark Hamma, Tom Hinkle, Dale Hutchinson, Randy Jones, Vincent Joy, Robert Layton, Andreas Miller, Marc Nasoff, Donald Plant, Richard Profeta, Stephen Schramm, Gary Sewell, Dennis Shalleross, Steven Shuey, Daniel Smith, Leonard Smoyer, John Spencer, Douglas Stover, Alan Sutton.

The golf team got off to one of their best starts by winning the first five matches in a row. They then dropped a heartbreaker to Susquehanna 9½-8½ and lost to Juniata before winning another four matches in a row. They ended with a season record of 9-3.

The team was led by Rich Profeta, Gary Sewell, Emmett Courtright, and Marc Nasoff. Lycoming finished sixteenth in the Middle Atlantic Conference Golf Championships. Next year looks even better for the Warriors.



tennis

After losing their opening meet to Franklin and Marshall, the Warrior tennis team won four in a row before being shut out by Rider College.

The team was led by standouts Bruce Sale, Joe Phillips, and Klaus Bendrich.

Their season mark was 7-3-1. Their one tie was against Elizabethtown which ended in a 3-3 tie before it was cancelled by rain.

The team has a lot of youth and now experience and should continne their winning ways next year.

The team members are: Klaus Bendrich, Greg Bussy, Dennis Herbert, Jim McAdams, Dave Mittell, Joe Phillips, Jim Plummer, Bruce Sale, Tom Schimmer, Seth Schonberg, John Wiemann.

For the last two years the ARROW staff has been making an effort to create a successively better yearbook. The goals have been to reflect the atmosphere of our college days within the pages of the ARROW.

To this end, many people have lent their time and talents. To be creative without adequate funds and to collect pictures and materials from "unknown" sources requires a patient, steadfast, and ingenious person.

It was my good fortune to work with this type of people. The ARROW staff of 1971 has worked long and hard to prepare this annual and I am greatly indebted to them for their efforts. In particular I would like to thank Shirley Goebel, Donna Cipriani, and Nancy Firestine, for their long hours; especially those given when others had headed home for summer.

This years award for patience and understanding goes to Mr. Dale V. Bower, Director of Alumni. What he has put up with . . . !

Best wishes to Linda Perkins and the 1972 ARROW staff. May your book be even bigger and better than the 1971 ARROW.

Thank you,
Gail Muller
